## MEDI-AESTHETICS CORRECTIVE FACIAL TREATMENTS

### MICRODERMABRASION - DIAMOND

75 MIN. \$140

The micro controlled peeling system gradually abrades epidermal cells to treat a vast range of skin imperfections with immediate visible results. Effectively treats sun damaged skins, fine lines and wrinkles, blackheads, enlarged pores, uneven skin texture and tone. Best results achieved in series of 3 consecutive treatments. Treatment includes: Microdermabrasion/micro-exfoliation/extractions/high frequency/massage/serum/ mask and treatment cream.

+ add on to another treatment \$40 (as appropriate)

### PROFESSIONAL CHEMICAL PEELS & SKIN RESURFACING - EKSEPTION

Peels are extremely effective skin care rejuvenation procedures targeting pigmentation, skin aging, wrinkles and acne. Novel acids, non-photosensitizing, safe and non- irritating superficial to medium peels. Best results in series of 4 with home care program. Treatment for: Pigmentation, Photoaging, wrinkles, dehydration, acne and combo, aging and sagging skin, rosacea.

### INTRO TREATMENT

60 MIN. \$100  
\$595

### SERIES + HOME CARE REGIMEN + 5 PRODUCTS

### ADVANCED AESTHETICS - FUSION MESO

Meso therapy applies advanced sterilized formulations to the mesoderm level in your skin through the use of a device. Great for wrinkles, scars, stretch marks, acne, lack of firmness, photo aging, dehydration and more. Series offer best and long term results - special pricing available.

### FUSION FRACTIONAL MESO

75 MIN. \$150-\$180

Uses a micro-needling device. Known as collagen induction therapy, this non-invasive treatment enhances stimulation of fibroblasts and cells regeneration.

### FUSION NEEDLE-LESS MESO

75 MIN. \$125-\$140

Electroporation and photostimulation with LED, A unique device enhancing transdermal delivery of meso cocktails.

### DUAL DEVICES

90 MIN. \$170-\$200

For deeper results and comfort.

...to reveal and enhance your own natural beauty.
