MARIA GALLAND

PARIS

Hydra Global - \$125

75 Minutes - DEEP HYDRATION

An intense, thirst-quenching facial for dehydrated skin. This treatment restores the skin's natural moisture balance and reinforces the hydro-lipid barrier, leaving a smooth, radiant and supple complexion.

Radiance Revealer - \$125

75 Minutes - LUMINOSITY

An illuminating treatment that targets dullness and uneven tone. We utilize potent vitamin rich serums & energy boosting massage techniques to revive your skin's luminous glow.

Lift Expert - \$135

75 Minutes - FIRMING/SCULPTING

A 100% manual lifting treatment to restore skin firmness and elasticity while sculpting facial contours. Smooths and plumps the appearance of wrinkles for a visibly lifted, more defined complexion.

Activ' Age - \$135

75 Minutes - ADVANCED ANTI-AGING

Our premier anti-aging offering. This intensive, regenerating treatment redensifies mature skin, stimulates collagen production and smooths deep wrinkles using Maria Galland's most advanced active complexes.

Sensi-Repair - \$135

75 Minutes - SENSITIVE SKIN

An ultra high performance professional treatment, dedicated to sensitive and reactive skin. Deeply calming, moisturizing and nourishing - it strengthens your protective skin barrier while soothing redness and discomfort.

Supreme Eye - For Your Eyes Only - \$75

A luxury anti-aging eye treatment to visibly lessen wrinkles and eye puffiness while providing a deeply soothing and relaxing experience. The perfect finishing touch to elevate any facial.

45 Minutes - or add to ANY facial for just \$25

FUSION

MESO THERAPY

CORRECTIVE
MEDI-AESTHETICS

FUSION Fractional Meso - From \$195

A highly effective micro-needling option using sterile, targeted meso cocktails of vitamins, peptides, and hyaluronic acid; which are transdermally "pushed" into your mesoderm to stimulate deep tissue repair, wrinkle reduction, firmness, acne and scar fading, as well as pigmentation and melasma correction.

COLLAGEN INDUCTION THERAPY

FUSION Needle Free Meso - From \$155

Electroporation and photo-stimulation with LED light therapy using meso cocktails. Relaxing and calming, yet allowing transdermal delivery of meso cocktails to treat many skin concerns, including: dehydration, loss of firmness and dullness.

RELAXING AND RESTORATIVE

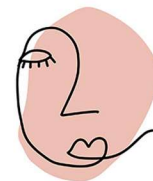

DEEP EXFOLIATION / REJUVENATION

Diamond Micro-Dermabrasion - From \$145

A non-invasive mechanical exfoliation using a diamond tipped wand. It effectively removes dead skin cells, refines pore size, reduces superficial pigmentation and instantly brightens the complexion with zero downtime. Best results are achieved in a series of 3 consecutive monthly treatments.

Add a gentle sweep to any other treatment - \$35 RESURFACING

A free consultation is required prior to booking Fractional Mesotherapy (micro-needling) or Micro-dermabrasion to determine suitability.
